It has been observed that many students who have cleared their class 10<sup>th</sup> Board Examinations are eager to pursue the **Arts or Commerce streams** despite scoring lower marks in Science and Mathematics.

To provide these students with an opportunity the eligibility prerequisite has been revised. The qualifying marks have been reduced from 40% to 33% for Science and Mathematics.

### Change of minimum qualifying marks in Maths & Science

Stream	Mathematics		Science		Aggregate (No Change)
	Earlier	Now	Earlier	Now	
Arts	40%	33%	40%	33%	50%
Commerce	40%	33%	40%	33%	50%
